**Re: Amarillo License, L.P. and High Plains Wireless, L.P.  
Request for Extension of Time  
CC Docket 94-102**

---

Dear Ms. Dortch:

On behalf of Amarillo License, L.P. ("Amarillo") and High Plains Wireless, L.P. ("High Plains"), this is to ask for an extension of time of one week up to and including May 21, 2004, in which to submit a further modified request for a modification of the deadlines for implementation of Wireless Enhanced 911 Phase II Automatic Location Identification ("ALI") Systems for Stations KNKA574 and KNL919. On April 12, 2004, Amarillo and High Plains asked the Commission for an extension of time until May 15, 2004 to provide Phase II 911 enhanced service to at least 50 percent of the PSAP area or population within the companies' respective service areas. At the very last minute, Amarillo and High Plains found out from Intrado that further hardware is required, but needs the additional time until May 21, 2004 to provide an explanation with supporting documentation.

Very truly yours,

Eliot J. Greenwald
